

Matrix Level 4 & 5

Region 3 Notes & Comments Dec 2011

- Documentation that AT is being used at least DAILY for all Level 4 & 5
- Interpretation – (weekly 3, daily 4, continuous 5)
- Matrix is about what is provided by the STAFF - kind of defeats the purpose for student to be self-determined ☺
- At Re-eval, AT is requested along with achievement, etc. Psych's do not count student absences as part of 60 day time line. AT evals do include absences in 60 days. Whose timeline do we follow to avoid multiple meetings?
- Could we put AAC devices under Domain A, Level 4 without SLP serving student daily? *Is not dependent on SLP, SLP probably would not serve daily anyway*
- In Domain E, is it OK for eval report to be written by school staff instead of LATS? *YES*
- At Specialist not only ones who can write an assessment indicating a students needs AT daily assistance. An SLP can write an assessment summary of what's needed daily (communication)
 - ✓ Maybe a LATS could initial or sign off *NOT NEEDED*
 - ✓ In it necessary to sign off? *NO*
- Building School Capacity
 - ✓ Not all on LATS shoulder
 - ✓ Debbie Simari – AT InD check list
